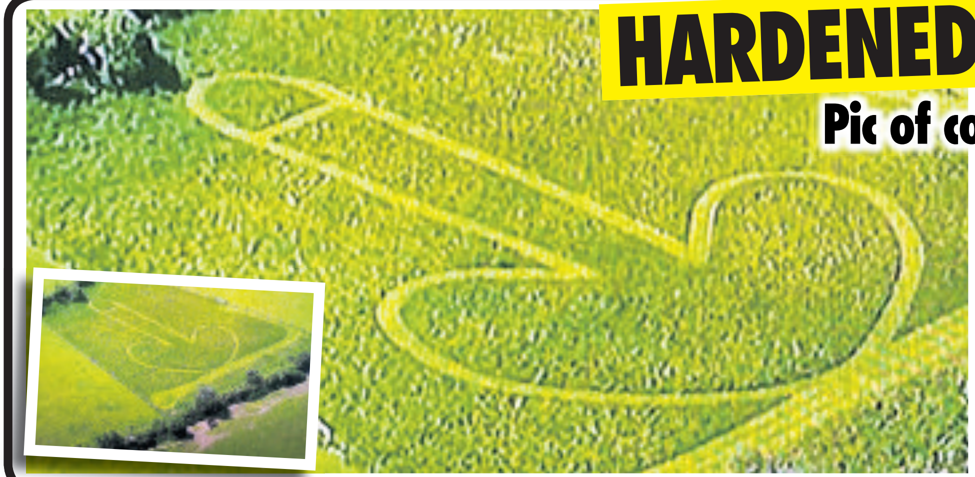
HARDENED CRIMINALS!

Pic of cock mown into field



COPS found a giant COCK 'N' BALLS design mowed into a field when their drone team was searching for a suspect.

The Devon and Cornwall police drone operators shared the shocking display on their Facebook page.

"It's absolutely amazing what you see from the air and sometimes we're caught a bit off guard!" the post read.

"Whilst in West Cornwall and searching for an offender who'd recently run off from police, we came across this unusual piece of artwork in a field, taking us completely by surprise!"

The post attracted an amused crowd. "Was the suspect's name Richard?" one commenter joked.

Another Facebook user commented: "Must be a hardened criminal."

Trump threat to quit WHO over virus

DONALD Trump has sent a letter to the head of the World Health Organization (WHO) threatening to pull US funding permanently over Covid-19.

The letter outlines a 30-day deadline for the body to commit to "substantive improvements" or risk losing millions and US membership.

Addressed to WHO chief Tedros Adhanom Ghebreyesus, it criticises stages of the body's response since December.

Earlier on Monday, the US President *(above)* called the UN's health body a "puppet of China".

Mr Trump, who faces re-election this year and has himself been attacked for his handling of the pandemic, has blamed China for trying to cover up the outbreak and has accused the WHO of failing to hold Beijing to account.

Millions fleeing super cyclone

INDIA and Bangladesh are evacuating millions of people from coastal areas ahead of a super cyclone which is approaching from the Bay of Bengal.

Cyclone Amphan is expected to make landfall in an area near the border of the two countries today.

More than 20 relief teams have already been deployed and several more are on standby.

Amphan is expected to hit the coast with winds gusting up to 115mph.

Officials in Bangladesh fear it will be the most powerful storm since Cyclone Sidr killed 3,500 people in 2007.

FIRST THE GOOD NEWS...

CHEAPER BISCUITS FOR ALL!

STILL think Brexit was a total waste of time, Remoaners?

By COLIN HURST
neil@sundaysport.co.uk

The government has announced that BISCUITS and Christmas trees will be cheaper under Britain's post-Brexit tariff structure.

More good news is that a raft of household appliances and foods are set to be cheaper and Britons will have more choice, ministers say.

The Department for International Trade said the new regime – to be called the UK Global Tariff (UKGT) – will see duties axed on £30billion worth of imports, while tariffs will also be protected for industries such as agriculture, automotive and fishing.

Items such as dishwashers, freezers and even Christmas trees will see zero tariffs under the regime, while the government said cooking products such as cocoa and baking powder will also be levy free.

The UK will see thousands of tariff variations on products scrapped – including more than 13,000 tariff variations on products including biscuits, waffles, pizzas, quiches, confectionery and spreads.

The UK Global Tariff will replace the European Union's external tariff on January 1, at the end of the transition period, and will see 60 per cent of trade come in tariff-free under the plan.

International Trade Secretary Liz Truss said: "Our new Global Tariff will benefit UK consumers and households by cutting red tape and reducing the cost of thousands of everyday products."

She added: "With this straightforward approach, we are backing UK industry and helping businesses overcome the unprecedented economic challenges posed by coronavirus."

The government said it would maintain a 10% tariff on cars, as well as those on agricultural products such as lamb, beef and poultry to protect British industry.

27 seized over Bradford child sex exploitation

POLICE have arrested 27 people in connection with online child sexual exploitation in Bradford.

The boys and men, aged between 16 and 57, were questioned after being seized at addresses across the west Yorkshire city.

More than 60 devices were seized for further investigation and safeguarding measures put in place for 26 children, West Yorkshire Police said.

The action came in response to information about people suspected of being in possession of indecent material of children or using devices, such as computers and mobile phones, to contact children.

Those arrested were later released under investigation or bailed pending further inquiries.

Detective Chief Inspector Alan Weekes said: "Targeted operations like these demonstrate that we take the online sexual exploitation of children in Bradford district seriously and that we will take action against offenders and safeguard those children they have attempted to exploit."

...AND NOW THE BAD NEWS

JOBLESS UP 69%

job
centre
plus

UNEMPLOYMENT claims soared by more than 69 per cent in April after the coronavirus lockdown gripped the labour market, official figures reveal.

And it's only going to get worse, experts say.

The Office for National Statistics (ONS) said that jobless claims under Universal Credit surged by a record 856,000 to 2.1million in April.

Official statisticians also said early estimates for April 2020 indicate that the number of paid employees fell by 1.6% compared with March, as firms began to feel a greater impact from the lockdown.

Job vacancies also significantly decreased, with the number of empty posts in the three months to April diving by 170,000 to 637,000.

The ONS revealed that unemployment increased by 50,000 to 1.35million in the three months to March, as the impact of the pandemic first started to be felt in the UK.

The unemployment rate nudged marginally higher, to 3.9%, below economists' predictions of 4.3%.

The number of people in work increased by 210,000 to 33.14million for the quarter to March.

Impact

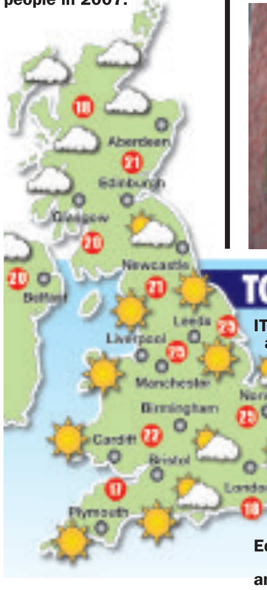
Jonathan Athow, the deputy national statistician for economic statistics at the ONS, said: "While only covering the first weeks of restrictions, our figures show Covid-19 is having a major impact on the labour market.

"Employment held up well in March, as furloughed workers still count as employed, but hours worked fell sharply in late March, especially in sectors such as hospitality and construction.

"Through April, there were signs of falling employment as real-time tax data show the number of employees on companies' payrolls fell noticeably. Vacancies were sharply down too, with hospitality again falling steepest."

Tej Parikh, chief economist at the Institute of Directors, said: "Even before lockdown, coronavirus was threatening to take the shine off the UK's sterling jobs record.

"It's clear that, without the government's furlough scheme, the picture would have rapidly deteriorated even further."



TODAY'S WEATHER

IT will be fine and dry in all areas with plenty of very warm sunshine once early patchy cloud clears. Most parts will be hotter than on Tuesday.

Temperatures of 25C in London, 22C in Cardiff, 25C in Manchester, 20C in Belfast and 21C in Edinburgh.

Thursday will be cooler and more unsettled, with heavy showers and thunderstorms possible.

Tourism boss calls for October bank holiday

THE head of Visit Britain says she's had talks with the government about the possibility of an extra bank holiday in October.

Patricia Yates has been giving evidence to a virtual session of the Commons Culture, Media and Sport Committee.

She told the MPs: "Because the industry has lost the benefit of the two May bank holidays, I think that's an idea that's being considered, to have a bank holiday around the October half term.

"What we're going to need to do is not just stimulate people in July and August but really extend the season for the domestic market."

Visit Britain estimates that the UK's tourism sector has lost £37billion as a result of the coronavirus lockdown.

DOCTOR WHO BUILT THE PYRAMIDS!

Scarlett's latest wacky theory

TIME TRAVEL 'REAL': Scarlett's claim and *(left)* Jodie Whittaker's Doctor

DEAD? Macca

By GRACE HOOPER
news@sundaysport.co.uk

FORMER *Gogglebox* star Scarlett Moffatt reckons the Egyptian pyramids were built by Doctor Who-style TIME TRAVELLERS – and Paul McCartney is DEAD!

Scarlett shared her out of this world belief about the pyramids when speaking on her conspiracy theory podcast.

The reality star, 30, was joined by boyfriend Scott Dobinson and *This Country* actress Daisy May Cooper for the bizarre discussion.

Her BBC Sounds podcast – titled *Scarlett Moffatt Wants To Believe* – was launched last week with a special on aliens.

Shocked

Now Scarlett has declared that "time travel is real and the pyramids prove it".

She explained that the speed of light has "exactly the same" figures as the coordinates for the Great Pyramid of Giza.

She then said: "Basically, Einstein and Stephen Hawking said if you could travel at the speed of light you could travel back in time.

"Because humans could not measure the speed of light back then to that precision, I reckon people from the future have travelled back in time to build the pyramid."

Her theory shocked Daisy, who replied: "The chances of nine numbers written down in that order is a billion to one."

Scarlett went on to claim hieroglyphics are "emojis from the future".

"There's a little helicopter hieroglyph, there's one that looks like UFOs, there's one that looks like a light bulb," she said.

Last week, Scarlett shocked the panel on *Loose Women* when she admitted she believes the 'Paul McCartney is dead' conspiracy theory – an urban legend that alleged the Beatle, 77, died in 1966 and was secretly replaced by an impersonator.

'Why I'm backing Britain's workers!'

IT'S great that builders are going back to work because they really are the backbone of this country.

Years ago, I used to get wolf-whistled all the time when I went past a building site, but you don't get that much any more – worst luck! – because feminists complained.

But it's still great to see builders on UK sites again as the sound of them at work is the sound of Britain waking up after the long sleep of lockdown.

I think they deserve our praise for getting on with the job and not whining that it's "not safe" – like some fainthearted folk have done.

And I'll be showing my appreciation – by flashing my bare boobs for some of the lads when I go past!

Christine's sex tape confession

CURVY Christine McGuinness says she's filmed a sex tape for her telly host hubby Paddy.

But she claims she hasn't watched it back yet in an episode of *Real Housewives Of Cheshire*.

On Monday's show, the model, 32, was grilled over her bedroom antics by Lauren Simon and Dr Hanna Kinsella during a girls' trip to Athens.

Lauren cheekily asked: "Have you ever videoed yourself shagging?"

To which Christine *(above)* admitted: "I 100 per cent have!"

Lauren asked further: "Can I ask you a quick question, when you videoed yourself and watched it, what did you think?"

Christine protested: "I didn't watch it back... it's for my husband!"

Yet the girls were left unsatisfied with her response and Tanya Bardsley quipped in the ITVBe show: "Yes she did!"

To which the model started giggling.

It's love at first shag for 1 in 3 men

IT'S official – if you want a serious relationship, you need to have sex as soon as possible.

A study revealed more than a third of men found love after sleeping with their partner on the first date.

According to the study, lots of couples end up in bed the first night they meet – 58 per cent of men have done it and 56% of women.

And it has led to a proper relationship for 36% of women and 34% of men.

But on a more cautious note, one in six women (17%) said they would think less of someone if they had sex on the first night, compared to 11% of men.

The results are revealed in a study of 2,000 people by IllicitEncounters.com, the UK's leading dating site for married people.

After Emilia Clarke said she's not keen on her *Game of Thrones* nude scenes, now co-star Carice van Houten pipes up...

#ME TOO!

BUSTY BEAUTY: Carice as seductive Melisandre

IT made them famous and rich beyond their wildest dreams.

But now actresses who stripped off for *Game of Thrones* are starting to question whether they were right to bare all.

First came Emilia Clarke – and now Carice van Houten, who played Melisandre, has joined in.

Carice explained how the arrival of the 'Me Too' movement affected how she viewed the series retrospectively.

By GRACE HOOPER
news@sundaysport.co.uk

The Dutch actress said: "When the Me Too movement started, that's when it started sinking in for me.

"And it did sort of change my perspective on my whole career, not just *Game of Thrones*."

Exposed

Carice, 43, appeared nude several times in the fantasy epic as plots saw Melisandre attempt to seduce Jon Snow (Kit Harington), Gendry (Joe Dempsie) and Stannis Baratheon (Stephen Dillane).

She was also unclothed when her character's true self was exposed after she removed her necklace in a famous scene, revealing herself as a very old woman.

Carice reflected: "In retrospect, I thought, 'Why did that scene have to be nude? Why was that normal?'

"I did question things, and it was not so much that I was blaming anyone, but that's just how we evolved and just how the movement affected me."

Her co-star Emilia Clarke, who played Daenerys Targaryen, claimed last year she had felt she was being pressured during the early days of the show, where there was a lot more nudity than later.

She said she was now "a lot more savvy" when it came to what she was comfortable doing on screen.

SEX ON THE LINE DELAYS TRAINS

RAIL-WAHEY! Thrill-seekers diced with death for bonk

A COUPLE put their lives on the line by SHAGGING on railway tracks.

The randy pair's afternoon romp delayed trains on the busy section after they were seen by a startled freight train driver and later spotted running off over a bridge looking a little dishevelled.

A source said: "In all my 40 years working on the railway, I've never seen anything like it.

"They were obviously looking for a quick thrill – but if a train had come along they definitely would have been killed.

"But what a way to go – at least they would have died with a smile on their faces!"

A freight service from Toton, Notts, to Crewe first spotted the lovers.

That section of line is also used by long-distance passenger services run by CrossCountry.

Drivers were alerted to the danger and warned to slow down through Branston in Staffordshire.

Half an hour later, the lovers were seen running off into the village and were "deemed not to be a danger".

British Transport Police confirmed the incident was reported to them but no arrests were made.

Coronavirus deaths in UK fall by third

CORONAVIRUS-related deaths in England and Wales over a seven-day period have fallen by more than a third in the space of a week, new figures show.

There were 3,930 deaths registered in the week up to May 8 mentioning "novel coronavirus", the Office for National Statistics said.

These accounted for 31.1% of all deaths during those seven days.

The latest weekly figures represent a drop of 2,105 deaths (34.8%) from the previous week, when there were 6,035 deaths registered.

The ONS said the early May bank holiday had affected the number of registrations of deaths from all causes, with 88 deaths registered on May 8 compared with 2,950 the previous Friday.

Emission relief is temporary, scientists warn

DAILY carbon emissions dropped by more than a sixth around the world at the height of the coronavirus lockdown, research suggests.

But the "extreme" reduction in emissions is "likely to be temporary", said Professor of Climate Change Science Corinne Le Quere, from the University of East Anglia.

Daily emissions fell by 17% – or 17 million tons of carbon dioxide – globally during the peak of the confinement measures in early April compared to mean daily levels in 2019.

These levels were last observed in 2006.

Emissions from surface transport such as car journeys account for 43% of the decrease, and emissions from industry and power account for a further 43% of the decrease in daily global emissions, researchers said.

Dutch singles advised to get a 'sex buddy'

THE Dutch government is advising single folk seeking intimacy during the pandemic to find a "sex buddy".

The National Institute for Public Health and the Environment said singletons should make an arrangement with one other person.

But pairings should avoid sex if one fears they have coronavirus.

A spokesman for the RIVM said: "It makes sense that as a single person you want to have physical contact during the pandemic."

"Discuss how best to do this together. For example, meet with the same person to have physical or sexual contact – for example, a cuddle buddy or 'sex buddy', provided you are free of illness."

Charity fears revenge attacks on flying rodents over virus

DON'T BLAME THE BATS!

FIRST we were told not to blame the Chinese for the Chinese Bat Plague – now we're being told not to take it out on the BATS!

By KIRSTEN KENNEDY
news@sundaysport.co.uk

Bats have been unfairly blamed for spreading coronavirus and face potential long-term damage to their reputation due to unproven theories and "careless" untruths on the internet, an expert on the mammals has said.

Lisa Worledge, head of conservation services at UK charity Bat Conservation Trust (BCT), said spurious allegations created widespread and "misplaced fear" about the role of the nocturnal critters during the pandemic.

And she said there were fears about the long-term reputation of the famously private creatures as the coronavirus death toll increases, with some countries sanctioning culls in an attempt to stop the spread.

Mrs Worledge said: "It's been heartbreaking to see the reaction in some places. They've culled bats... because of what they've heard, what someone's said, and in some cases these are endangered species.

"So to see some people's reaction – which is born out of fear, and very, very misplaced fear, because of careless things said on social media – is really heartbreaking, particularly for someone like myself.

"But equally, it is also really inspiring to see how some people have stepped up – volunteers and members of the public who have jumped to support bats and say how incredible these animals are and go out of their way to set the record straight.

"Yes, there's been some truly horrible things, but there have been some truly amazing things as well."

Frightened

Bats are a protected species in the UK, with hundreds of thousands of animals in sites across the country.

Scientists say the virus arose naturally in bats and passed via another animal species to humans at a wildlife and seafood market in Wuhan, China.

Mrs Worledge said human action should be scrutinised for the spread of the virus, rather than pointing the finger at the animal kingdom.

She said: "It isn't bats that have caused this pandemic, it's humans.

"It's the way we've treated our environment, it's the way we manipulate our environment, it's the way we bring wildlife into contact with other animals that wouldn't happen naturally through the trade in live wildlife, through wildlife markets – animals kept together, frightened, stressed – these are the conditions which provide a breeding ground."

Mrs Worledge said there had been an increase in calls to the BCT's helpline since Covid-19 took hold.

And she urged anyone wanting to know more about bats to get in touch, rather than to simply believe what they have read or heard elsewhere.

Strip club reopens but girls cover their faces

A STRIP club has reopened with a "masks on, clothes off" party... as it debuts new coronavirus safety guidelines.

"This is a risk that we're taking," said owner Kim Chavez at the reopening of The Den in Cheyenne, Wyoming.

The strip club was able to open alongside the state's sit-down restaurants and bars, which is how the business is classified.

As part of the conditions for The Den reopening, all the strippers sported face coverings to dance and ample hand sanitiser was available.

"I'm a little nervous because the virus is still out there, but I'm glad to be able to go to work, because a lot of people can't yet," dancer Doris Craig said.

Chavez, who has run the bar for 15 years with her husband, said she was concerned about her employees during the shutdown.

"That was the hardest part about being shut, worrying about the girls," Chavez said.

"It was heartbreaking, because you know every girl's story."

A FOOTBALL team has been forced to apologise after "mannequins" it used as substitute fans during a match turned out to be SEX DOLLS.

FC Seoul said the dolls, which had been dotted around stands currently off-limits to supporters due to the coronavirus, had been ordered after a "misunderstanding" with the supplier.

Earlier this month South Korea's K-League became the first major football league to hold matches since the start of the pandemic, with the season's opener watched by a worldwide audience.

IT'S been a tough year for Britain's super-rich, folks.

Partly due to the coronavirus crisis, this country's 1,000 richest people have seen their fortunes slump by an average of 3.7 per cent.

Some of the poor souls are down to their last BILLION.

That means the usual big hitters have slumped down the rankings in this year's Sunday Times Rich List.

The number one fat cat is vacuum cleaner tycoon Sir James Dyson, 73, whose personal fortune has grown £3.6billion to a whopping £16.2bn.

The list is based on estimates of the minimum wealth of the 1,000 richest people or families in the UK.

The list includes people who are not British citizens but live and work in Britain.

And there are some VERY sexy names on the list.

Salma Hayek and her husband come in at number six with £6.6bn. They make it onto the list as they spend part of their time in London.

The 53-year-old Mexico-born Hollywood actress has made a fortune acting in films such as *Desperado*, *From Dusk Till Dawn* and *Puss in Boots*.

But it has been her marriage to the French billionaire businessman Francois-Henri Pinault, chairman of luxury goods firm Kering, that's pushed her into the rich list top 10.

Singer Rihanna, 32, has amassed a fortune of £468m thanks to the success of her cosmetics and fashion brand Fenty.

And Welsh actress Cathertine Zeta-Jones, 50, makes it to number 96 with her £210m fortune.

The Sunday Times also produces lists comprising the richest young people.

Girl group Little Mix – Jesy Nelson, Leigh-Anne Pinnock, Jade Thirlwall and Perrie Edwards – are on that list with a combined fortune of £48m.

Singers Dua Lipa and Rita Ora each have £16m in assets to keep the wolf from the door.

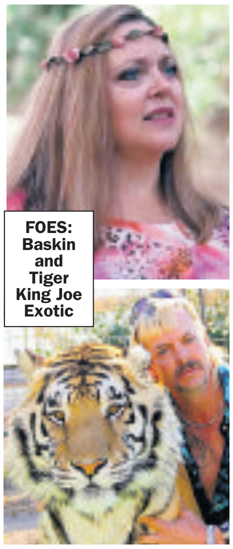
Tit-out Tara tipped for role in the new Joe Exotic movie



FOES: Baskin and Tiger King Joe Exotic

NIP SLIP: Tara at P Diddy bash

By GRACE HOOPER news@sundaysport.co.uk

***AMERICAN Pie* star Tara Reid is being lined up to play the Tiger King's arch enemy Carole Baskin.**

The scream queen is being considered for the role of Baskin in the movie version of the hit Netflix documentary series.

"We are in talks with the producers and she is being considered, that is all I can say at the moment as casting is on hold," said Philippe Ashfield, Reid's manager and business partner.

Plunging

"Tara loves Tiger King and found the documentary extremely interesting.

"She feels she could get into the character of Carole Baskin very well and she has a similar look to [Baskin]," Ashfield added.

While both women are bottle blondes with big blue eyes, the leopard print-loving Baskin, 58, is more than a decade older than Reid, 44.

There are currently several scripted "Tiger King" productions in the works – including a series starring Nicolas Cage as Tiger King Joe Exotic.

Reid has seen her career bounce back and was set to star in the comedy *Tom, Dick & Harry*, but the show is on hold due to the coronavirus pandemic.

Back in 2004, Reid attended the star-studded 35th birthday bash of singer, songwriter and rapper P Diddy wearing a plunging black gown.

While the paparazzi were taking photos of her, she didn't notice the left sleeve of her gown was slipping.

It took around 10 seconds of boob exposure before she realised what had happened after an assistant helped pull her sleeve back up.

CIA's Wind of Change is fake news!

THE lead singer of rock band Scorpions has dismissed rumours the band's 1990 power ballad *Wind of Change* was written by the CIA.

Patrick Radden Keefe was looking into theories that the CIA collaborated with the German heavy metallers to create a ballad that would change the world.

Meine said: "In the middle of the interview he goes, 'Klaus, you ever heard the story that *Wind of Change* was written by the CIA?' And I cracked up laughing."

Although he thought the idea was funny, the Scorpions singer said it was fake news, adding: "It's a very entertaining and really crazy story but it's not true at all.

"Like Americans would say, it's fake news."

Naked beast bonks dead woman's body outside homeless shelter

NECROPHILIA CHARGE: Whitehead

'She had been deceased for some time... the smell was indescribable'

A MAN was found "really going at it" as he had sex with the naked corpse of a dead woman outside a homeless shelter.

Cops say they were called to complaints that two people were having intercourse on the front steps of the building.

By COLIN HURST

news@sundaysport.co.uk

When officers arrived at the the Daybreak Resource Centre in Bibb County, Georgia, they found a 55-year-old naked man in the middle of the act with a woman.

After asking the man to get dressed, they discovered the woman was unresponsive.

Grotesque

And an investigation revealed she "had been deceased for some time".

Kenny Obyran Whitehead has been with necrophilia and is currently being held in custody.

Officials have yet to release the name of the victim pending notification of her next of kin.

The cause of death is under investigation, but officials do not believe it to be foul play.

A police source said: "He was really going at it. He had sweat on his brow, the works.

"It's quite easily the most grotesque thing I have witnessed in twenty years on the job.

"I don't know how long she had been dead, but it had clearly been a while and it gets quite sultry here in Georgia.

"I can tell you, the smell was indescribable and there was pus and gore and the sweet Lord knows what running out of that lady."

The two pals had a huge row over Neil's "out of control drinking" after Razor revealed he's suffering from high cholesterol and has been warned that he needs to have a heart operation.

But it wasn't long before the 52-year-old started drinking booze and eating fatty food in front of his team mates.

Thankfully, the two long-time pals made up at a lunch the following day and Paul broke down in tears as he and Neil sorted things out.

Ruddock wept as he told viewers: "I've just had a barney with Merse. We love each other. We've known each other since we were 16."

Razor married former topless model Leah Newman in 2013, and the 38-year-old was seen alongside her fun-loving hubby in the show.

MIDWEEK Sport ALWAYS HOME OF TOPLESS BABES

SEXY Scarlet Bouvier has a real fetish for saucy outdoor SHAGGING – and once got frisky in the back seat of a car.

The 24-year-old beauty, from Brentwood in Essex, said sex in a bed is pretty boring and, whenever she can, she prefers to romp in more unusual locations.

Scarlet – who posed naked and paraded her impressive 32Es for us in this awesome photo shoot – revealed all the details about the time she bonked in a vehicle.

She revealed: “I love having sex outdoors, or somewhere crazy – like in the back seat of a car – I think that it’s just a lot naughtier.

“Having sex in bed is nothing new.

“I always think the idea that you might get caught out can be a real turn-on, too – it just adds that extra element of excitement for me.

“I was once with an ex-boyfriend in his car and we pulled over under a bridge, then had an unbelievable shag in the back of his Ford.

“We didn’t even have to worry about people watching us either, because all the windows got so steamed up you couldn’t even see out of them!”

Naked nut runs amok in church

A MAN who stole his mother's car and led cops on a chase and was eventually arrested NAKED in a church.

Thomas Bouchard, 37, is being held on charges of failure to stop for a police officer, resisting arrest, driving under the influence and dangerous driving.

He was hauled off to the local nick where it was established he was high as a kite on drugs.

Police in Skowhagen, Maine, told how Bouchard had stripped off and stolen his mother's Hyundai.

After a short police chase, he'd run into a church, which was hosting a service.

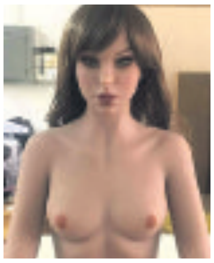
It was not clear what Bouchard might have taken before his arrest.

STIFF COMPETITION FOR SEX DOLL JOBS

A SEX doll retailer is ramping up its recruitment after record numbers of orders have been made during the coronavirus lockdown.

Sex Doll Genie, which bills itself as "the largest sex doll store in the world" said a 50 per cent surge in sales means people are queueing to fill the jobs it has available in both the US and Europe.

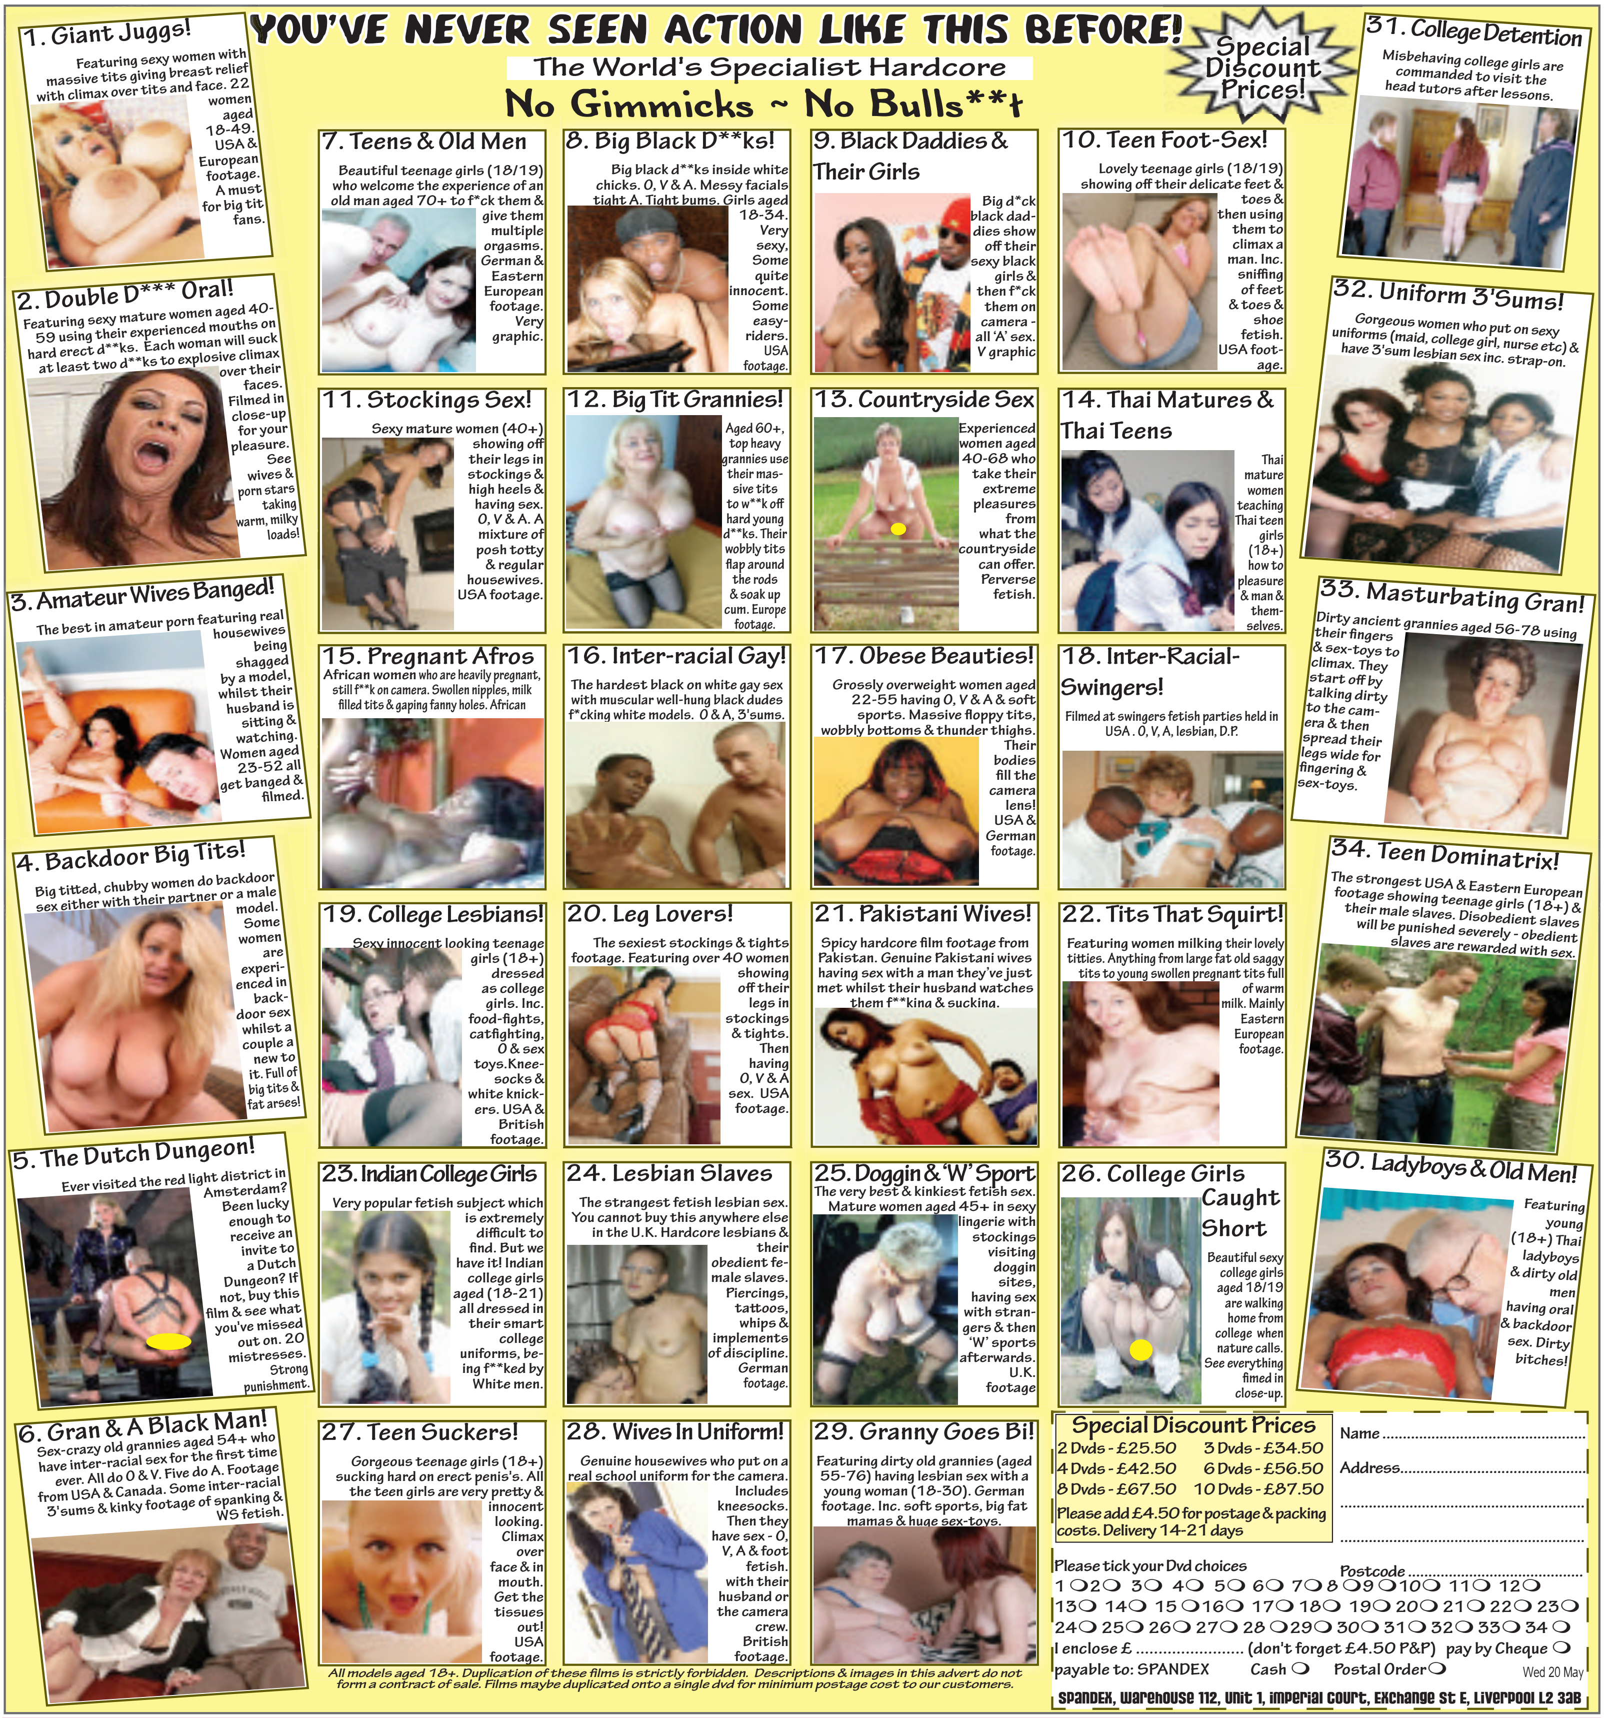
The firm has received hundreds more enquiries than usual in the last eight weeks, as couples and single people look for new ways to pass the time while adhering to social distancing guidelines.



A number of jobs have been advertised including those for "fulfilment managers".

Successful candidates can work from home and will pack and ship dolls to customers.

Janet Stevenson, co-founder of the firm, said: "We have lots of products in stock but we can't keep up with demand."



YOU'VE NEVER SEEN ACTION LIKE THIS BEFORE!

RED-HOT: Maitland is trying a hole new line of work

By JAYNE FERGUSON news@sundaysport.co.uk

AS *Midweek Sport* reported last week, porn idol Maitland Ward is having her MINGE and BUMHOLE immortalised!

The creator of the Fleshlight brand of products is collaborating with Maitland in the launch of new Fleshlight custom-moulded sex toys.

And the toys will be EXACT replicas of Maitland's front and back bum.

Maitland, 43, said: "When it comes to adult products for men, nobody does it better than Fleshlight.

"I have resisted partnering with toy companies, but Fleshlight has an unbeatable reputation.

"No one else brings the level of detail, accuracy and pure enjoyment that they do.

"My fans have been asking for a toy line for a long time. They won't be disappointed."

But the flame-haired temptress is not the only adult star to have her private holes turned into space-age wanking machines.

Today we look at the porn babes who have become Fleshlight girls.

Oh, and of course, you get to see pictures of them in the altogether...

‘Homosexuals must be put down’

VILE thug Peter Avsenew felt it was his mission in life to exterminate homosexuals – a sickening mission that made him ‘proud’. And, after boasting about his exploits in a letter to his trial judge, he even flipped the middle finger to bereaved family members as he was handed a death sentence...

MUM WITH A CONSCIENCE: Jeanne Avsenew testified against her own son

By FRANK SHORT

news@sundaysport.co.uk

TWISTED Peter Avsenew lived in the peaceful Florida community of Wilton Manors, Fort Lauderdale.

It’s an affluent area known as a ‘gay district’ – popular with same-sex couples – that’s also filled with parks and museums and popular with tourists.

But for Avsenew, the people who resided there represented everything he detested.

In 2010 he posted an ad on the popular website Craigslist, advertising his services as a male escort.

He got a reply from an adventurous couple – Stephen Adams, 52, and Kevin Powell, 47, partners who had been together for 30 years.

But ‘escorting’ was the last thing on Avsenew’s mind.

As he entered their home he shot them both repeatedly in the head with a handgun, before stealing their credit cards and car and leaving them to bleed to death.

Avsenew, who already boasted an extensive criminal record, was eventually shopped to police by his own mother, Jeanne.

And despite Avsenew initially pleading his innocence, once convicted he soon showed his true colours.

In a letter to Broward Circuit Judge Ilona Holmes, Avsenew said: “It is my duty as a white man to cull the weak and timid from existence.

“I will always stand up for what I believe and eradicate anything in my way.

“Homosexuals are a disgrace to mankind and must be put down. These weren’t the first and won’t be the last.

“I must secure an existence for white people and a future for white children.

“You will never stop me.”

In a further rant in court, he added: “There is nothing that can hurt me now. I have no consequences for my actions. I plan on hurting people.

Hatred

“I wholeheartedly have nothing to lose and I’m going to take it out on everybody I can.

“What is a life in prison? There is none.

“I’d rather just kill people and be by myself. It’s much easier.”

He even sounded off about his killing prowess in front of stunned family members.

He laughed: “It’s really easy to talk someone into teaching them jiu jitsu, putting them in a choke and just holding on too long and there’s nothing they can do about it.

“Only takes about six seconds.”

In the face of such overwhelming hatred, in January this year Judge Holmes handed Avsenew the death penalty.

If anyone expected a show of remorse, they didn’t get one.

Instead, sick Avsenew chortled, smirked and then gave the middle finger to the grieving friends and family of Stephen Adams and Kevin Powell.

COLD: Killer’s mugshot

Stephen’s disgusted sisters, Marci Craig and Missi Badgett, said: “We know that justice was served.

“I knew he was making that gesture to us. I said to my husband right away, ‘He just flipped us off’.”

Avsenew, now 33, is the glaring result of a grim life.

In his defence he claimed to have been sexually abused by a stepfather and then thrown into turmoil when his sister was murdered.

Growing up, Avsenew was a bad apple well known to local cops. He had convictions for vehicle theft, robbery, grand theft and fraud.

He also had pleaded no contest to marijuana possession, criminal mischief and resisting an officer.

Stephen and Kevin, meanwhile, had been loved by all who met them.

The couple had also been through their own hardships. Kevin was a lifelong diabetic who had just got over double organ transplant surgery.

Stephen, a nurse, had been caring for his partner.

Kevin’s distraught brother, Shannon Kicklighter, said at the time of the slayings: “They had been together for years and years.

“They took care of each other. They were loving partners.

“We were an extended family. We are just heartbroken.”

Avsenew, a father of one, had only just been released from prison when he decided to kill.

In a Facebook post in July 2010, he wrote: “Today is the first day of the rest of my life and I am going to make it count. I am

free and coming home.

"Robbie, Daddy loves you – and I am going to prove it to everyone."

By December of that year, however, Avsenew was covered in blood trying to clean up a crime scene – having committed one of the most shocking murders Florida has ever witnessed.

It started when Avesnew placed an advert online claiming to be a male escort.

Prosecutors said there was no evidence that he actually worked as a prostitute at any time.

Instead, it appears to have been a simple ruse to enter Stephen and Kevin's home on December 23, 2010, and commit carnage.

The victims were shot 'multiple times' with a .25-calibre handgun.

They also suffered horrific trauma to their heads after they were mercilessly bludgeoned.

Agitated

Their bodies were discovered three days later when concerned family members realised that neither Stephen nor Kevin were turning up for Christmas get-togethers.

Avsenew fled the scene and drove the couple's car to his mother's home in nearby Polk County.

His mother, Jeanne, told investigators that she suggested her son take a hot shower when he turned up as he appeared "agitated and upset".

According to the search warrant, after he had finished bathing Avsenew told his mother: "Yeah, finally I got the smell of bleach off me."

Investigators said they had found bleach at the crime scene.

Avsenew had used it to try to clean the blood from the walls and floor.

He also told his mother that he had "done something really bad" – but that she shouldn't worry because he had covered his tracks.

He alluded to getting into a fight and told her "they got what they deserved".

While blood may be thicker than water in most cases, unlike her son, Jeanne clearly had a conscience.

She promptly called police and tipped them off about what her son had "confessed" to her.

Avsenew was quickly rounded up by cops and taken in for questioning.

Jeanne later testified against the boy she had brought into the world in emotional courtroom scenes.

Speaking via video, she said: "He told me he had done something and needed to get away for six months and everything would be all right."

She added that Avsenew had asked her to help dump the dead couple's car that he initially said he had "borrowed".

Jeanne added: 'I said, 'Is the car stolen? You told me it wasn't stolen, that your friend gave you this car'.

"He said, 'I lied!'

"I told him he was making me an accessory to whatever he had done.

"He just laughed and said, 'Don't worry about it'.

"I obviously knew something was wrong."

Jeanne also noticed that her son was checking the computer frequently.

When she was finally able to see what he was looking at, she was shocked.

She explained: "There was a thing – Peter was a person of interest in a slaying in Wilton Manors.

"I saw his picture, I saw the car in the background that was in front of my house.

Troubled

"It said they were looking for Peter Avsenew as a person of interest.

"I raced over to a friend's house and told her what was going on and what I had seen on the computer.

"She said the only thing I could do was call the police. I called 911."

On December 3, 2017, Avsenew was found guilty of double murder.

And, while Stephen's sisters Missi and Marci said they had 'forgiven' Avsenew, they were still deeply troubled by his lack of remorse.

Missi said: "It was hard on our parents. We lost our dad two years ago, but he told us we had to forgive Peter.

"He still has a grin on his face as of today. How can you sit there and show no remorse?"

Avsenew was handed his death sentence in January this year.

But spare a thought for his mum, Jeanne.

She says she has "mixed feelings" about the fact her son will now be put to death by the state – largely based on her own evidence.

"I'm troubled by that," she said.

"I know he doesn't want to spend the rest of his life in prison."

As she made her way out of the courtroom, Jeanne Avsenew looked to her son but made no gestures.

Peter Avsenew looked back and said nothing in return.

NAKED SLAYER CHOPPED UP HIS LOVER'S BOLLOCKS

BLOODIED: Mrkulic is led away by cops

A NAKED man who allegedly chopped up his boyfriend's testicles has been charged with murder.

Aljo Mrkulic, 31, was taken into custody after a struggle with cops and paramedics.

He now faces first-degree murder, arson and assault charges in the macabre stabbing death of 30-year-old Christopher Rodriguez, who police sources identified as his boyfriend.

By GRACE HOOPER
news@sundaysport.co.uk

Mrkulic, who waited naked for responders to arrive at the murder scene in New York, was wearing a light blue hospital gown and pants as police escorted him out of Harlem's 25th Precinct stationhouse.

Mangled

The stabbing was caught on a building surveillance camera, police said.

It shows Mrkulic dragging Rodriguez into the ninth-floor hallway and "strike him across the torso and neck with an unknown weapon", according to a police report.

Rodriguez's body was found in the hallway "with his testicles mangled, his stomach partially cut open" and multiple stab wounds.

Police said burly Mrkulic was blocking the scene and fought with cops when they arrived, allegedly biting two officers before he was taken into custody.

Video footage showed him completely naked with tattooed buttocks and a bloody face being carried out of the building by police.

"He started the fire! He tried to kill all of us here!" a woman can be heard shouting in the video.

Mrkulic was strapped onto a stretcher and put in an ambulance.

amber JAYNE

SEXY glamour girl Amber Jayne can't wait until travel restrictions end – because she wants to jet off and have some holiday ROMANCE.

Amber, 26, from Wolverhampton, has enjoyed a number of bonks abroad in the past, and reckons she's well up for MORE – once the planes start flying and the borders open again.

The blonde bombshell flaunted her 34Es in a kinky set of red and black lingerie and told us all about her sunshine shags.

She said: "Last year I went to Mallorca and had a THREESOME on my hotel balcony!

"I was bent over the railings while two fit blokes from the room across took turns thrusting into me.

"It was amazing, and we had a threesome almost every night of the holiday after that.

"Put it this way, I was definitely satisfied when I got home!"

She added: "This year, I was going to go to Benidorm as I know there are tons of horny Brits usually there, too.

"I just hope that some of the summer is left when this bloody virus is out of the way.

"I'd love to hook up with another pair of randy lads again!"

MIDWEEK Sport ALWAYS HOME OF TOPLESS BABES

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

HELMET-headed Nicola Sturgeon is using Covid-19 as yet another reason to promote the idea of why Scotland should go independent.

This from the woman who, at the time of the 2014 referendum, said independent jocks would thrive because "their" North Sea oil was worth an average of $100 a barrel.

Now, thanks to the collapse in value due to few people driving or flying during the pandemic, Brent Crude is averaging near just $30 a barrel.

It'd be interesting to hear her explain these economics to "her" people.

From the sound of things, she's an Ayrshire version of Diane Abbott.

These losers really WANT us to be f**ked!

OUR local chippy finally opened up again last week.

Just imagine the smell of vinegar. The sprinkling of salt. The mouth-watering sight of a sausage dinner.

It's only been a few weeks of lockdown but, where chips and pints come to mind, it's felt like an eternity.

And let's face it – we need our fun, our booze, our grub.

So The Dolphin cautiously opening up, with all the appropriate social distancing, was about time, as sooner or later we have to get the economy moving or we're all – to coin a phrase from the financial world – "f**ked".

The Government paying pretty much all our wages simply can't last forever. It doesn't have any money of its own, for starters. It only has what we give it in taxes.

Noisy

And if we're not working, and not paying tax, that means we're running up a countrywide overdraft so terrifying it brings more water to your eyes than a chip shop pickled egg.

But "f**ked" is unfortunately exactly where a noisy minority would like us to be, if it helps bring down a Prime Minister so unpopular he only scraped in with a mere 80-seat majority just six months ago.

It is, of course, the usual suspects behind all this.

The people still fighting a war that began in 2010 with dismal Gordon Brown getting the boot from No 10 – and then repeated, to the chattering class's dismay, in 2014, 2015, 2016, 2017 and 2019.

Refusing to accept they've simply forgotten how to win voters round to their way of thinking, they switch to insulting the electorate instead.

It doesn't matter if its Brexit, Euro elections, or General Elections. Voters must be stupid. Or racist. Or easily influenced by Russian agents masquerading as porn models on Twitter.

It can't ever be the – shock horror – simple fact that voters took a look at what they had to offer, listened to the screeching... and decided to tick a different box.

It's hard to really blame them for their disappointment, even if it is self-inflicted.

But maybe if they started taking a good look at themselves, instead of the voters they keep slagging off, they might just begin to realise why that is.

‘Sex for cash’ was ruse for gun robbery

TWO teenagers lured a man with the promise of sex and then robbed him at gunpoint.

Christopher Morris and his girlfriend Lauryn Fields, both 19, face multiple charges over the attack.

Fields *(above)* met the victim on Snapchat and agreed to meet him for sex on condition that he give her money.

They were in his car when Morris pulled the victim from it and threatened him with a gun.

Morris allegedly demanded the victim’s money and hit him with the gun “causing a laceration above the victim’s left eye”.

Morris reportedly told the victim he was Fields’ “man” before taking £180 from his wallet. He also took pictures of the victim’s credit cards.

Fields told police that Morris set up meetings with men for her to have sex with.

Fields and Morris, from Atlanta, Georgia, are each charged with armed robbery, aggravated assault and battery.

Dirty cops got blowjobs in sex trafficking probe

A PROBE into sex trafficking in massage parlours fell apart after cops literally got caught on the job.

Dubbed ‘Operation Asian Touch’, the probe by Homeland Security Investigations targeted parlours in the cities of Lake Havasu and Bullhead in Arizona.

But it fizzled out and got dropped after defence lawyers learned that the agents engaged in sex acts with their clients.

After listening to one agent’s undercover audio recordings, lawyer Mike Wozniak said: “They talked about a blowjob and I believe I was hearing one take place.

“I found it pretty repugnant that they were engaged in sexual acts with people that, under their theory, would have been the victims.”

Vienna Blood – BBC2, tonight, 9pm

WE don’t get enough out of Austria, quite frankly.

This may be something to do with the demi-Kraut land’s most-famous export being one A. Hitler – but, come on, that was all a long time ago.

The BBC have sought to rectify our lack of Austrian culture with ace ’tec drama *Vienna Blood.*

Yes, it’s been on before, but as there are no new telly programmes being made at the moment, we’re being treated to a lot of repeats.

And this one is a belter…

The psychological thriller, based on the Liebermann novels by Frank Tallis, is set in Vienna in the 1900s.

The series follows Max Liebermann – a doctor and student of Sigmund Freud – played by Matthew Beard, as he assists Police Detective Oskar Rheinhardt (Jürgen Maurer).

And by providing psychological insights into subjects’ motives, they probe disturbing murders with success.

Yes, it’s *Cracker* with top hats, but well worth a watch.

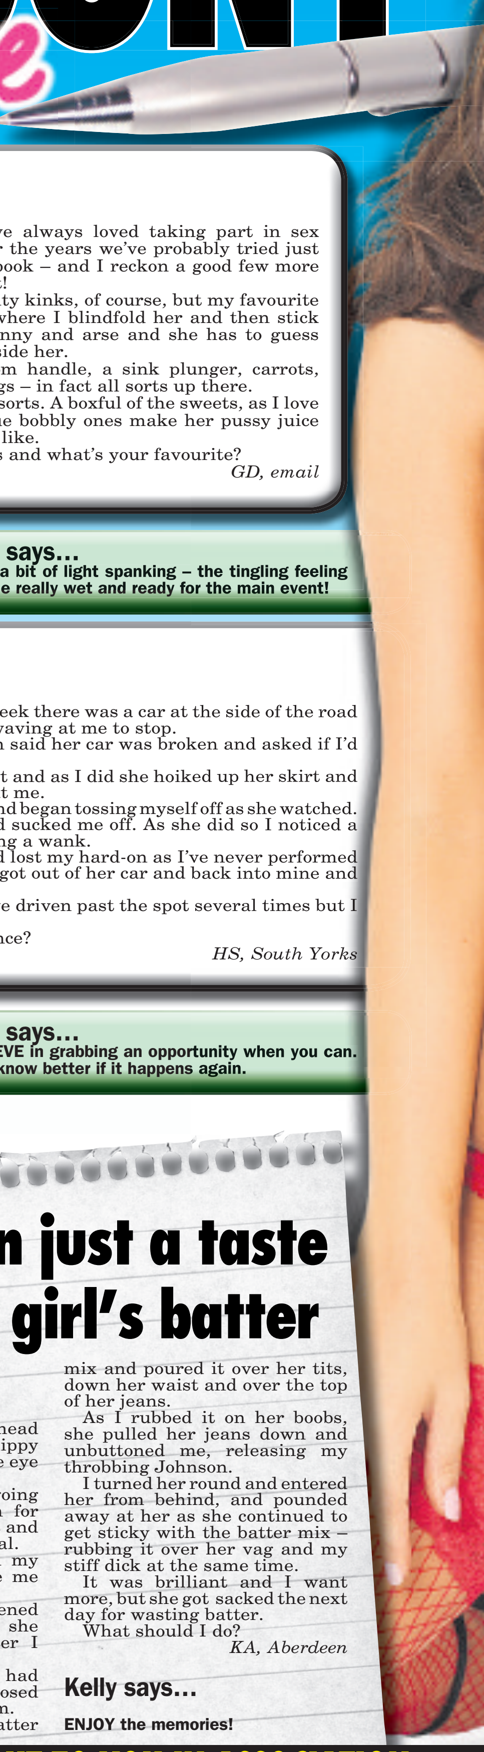
THE WORLD FAMOUS AGONY Page



Dear Kelly,

ME and the missus have always loved taking part in sex games together, and over the years we've probably tried just about everything in the book – and I reckon a good few more that definitely aren't in it!

She has her own naughty kinks, of course, but my favourite is "Guess the Object" – where I blindfold her and then stick various things up her fanny and arse and she has to guess what it is I'm slipping inside her.

I've had hoses, a broom handle, a sink plunger, carrots, cucumbers, black puddings – in fact all sorts up there.

I mean it, Liquorice Allsorts. A boxful of the sweets, as I love it when the pink and blue bobbly ones make her pussy juice taste tangy and liquorice like.

Do you enjoy sex games and what's your favourite?

GD, email

Kelly says…

I LIKE a bit of light spanking – the tingling feeling gets me really wet and ready for the main event!

Dear Kelly,

AS I drove to work last week there was a car at the side of the road and a woman next to it waving at me to stop.

I did so and the woman said her car was broken and asked if I'd try to start it.

I got in the driver's seat and as I did she hoiked up her skirt and flashed her pink minge at me.

I got an instant boner and began tossing myself off as she watched. Then she knelt down and sucked me off. As she did so I noticed a bloke in the bushes having a wank.

I was a bit shocked and lost my hard-on as I've never performed for an audience before. I got out of her car and back into mine and drove off quickly.

I regret it now and have driven past the spot several times but I haven't seen her there.

Have I missed my chance?

HS, South Yorks

Kelly says…

I BELIEVE in grabbing an opportunity when you can. You'll know better if it happens again.

More than just a taste of chippy girl's batter

Dear Kelly,

THERE'S a stunning redhead who works at my local chippy and she's been giving me the eye for some time.

I didn't think it was going anywhere until I called in for some supper the other night and got more than just a hot meal.

After asking if I wanted my sausage battered, she gave me a wink.

My dick immediately stiffened at the thought and when she told me to come back later I could hardly wait!

After her last customer had gone at about 10.30pm, she closed up and led me to a storeroom.

Then she got a load of batter mix and poured it over her tits, down her waist and over the top of her jeans.

As I rubbed it on her boobs, she pulled her jeans down and unbuttoned me, releasing my throbbing Johnson.

I turned her round and entered her from behind, and pounded away at her as she continued to get sticky with the batter mix – rubbing it over her vag and my stiff dick at the same time.

It was brilliant and I want more, but she got sacked the next day for wasting batter.

What should I do?

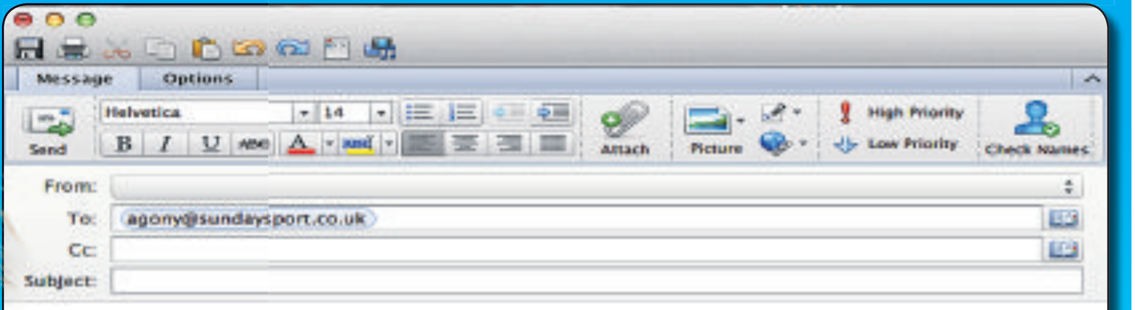
KA, Aberdeen

Kelly says…

ENJOY the memories!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week KELLY McGREGOR has been reading through your letters. And here's her advice for you…



To: agony@sundaysport.co.uk

Massive boobs left me with a BUST-ed nose!

Dear Kelly,

THERE'S nothing I like more than a huge pair of melons swinging in my face as my woman is riding me.

I love the look and feel of huge plate-sized nips bouncing off my face as her motion rocks them back and forth and I try to catch them with an inward suck of air as they close in on my mouth.

The bigger the mammary the better I like it and I'm hooked up with a mammoth bird with the biggest tits I've ever seen – simply in order to fulfil my desire.

Scared

She's up for most things, including doggy-style and anal where I pound her hard from behind while stretching forward to pull on her bouncing melons.

She also likes it when I spunk my load over her mush after a decent session.

But last week I got a big shock because she really hurt me when she swung her left tit into my face and almost broke my f**king nose with it.

Now I'm scared about carrying on our style of love-making. How do I get round this?

RT, Derby

Kelly says…

IT'S just like a bike… when you fall off you get right back on and start riding again. If you don't, you'll be missing out on those lovely big knockers, won't you?!

Dear Kelly,

OH what joy it was to read a recent letter about Marigold-gloved, washing up liquid-lubricated wank jobs.

I use Marigolds and have lots of pairs in many different colours.

I wear them whenever I carry out household chores – I've even got a pair with a bit of fur round the cuffs – and this never fails to get my hubby going.

I often treat him by dressing up in crotchless red PVC leggings, full-length black PVC coat and red Marigolds.

I always go down on him, licking and slurping his cock until he spurts into the Marigolds.

Then we go in the shower, where I insist he dons a pair of rubber gloves and goes under the mac and gets my juices flowing onto his rubber gloves using a dildo.

Your correspondent wondered whether it was normal to be turned on by Marigolds and I can assure him it is – it's a regular part of our wonderful sex life!

WL, email

Kelly says…

WHAT could be more normal? Anything that gets you both going is great!

I splashed cream on sunbed salon hottie

Dear Kelly,

I LIKE to show off a nice tan and I was in my local sunbed salon the other week when I got chatting to one of the girls who works there.

Despite being very orange, I still found her very attractive because of the way she was showing off her ample tits under her uniform.

She gave me advice on skin care and a whole load of other tips, then suddenly said she fancied me and wanted to suck me off.

I couldn't believe what I was hearing. But she assured me that she was being serious and led me into a side room before slipping off her uniform.

Explode

She was wearing a black bra and knickers and I was soon hard. I held on to her blonde hair as she took me to the back of her throat.

Just as I was about to explode, she slipped off her bra and let me decorate her breasts.

The next time I saw her, she asked me to move in with her. I explained I couldn't as I love my wife and she started caressing my stomach – but it wasn't until the next day I realised what she had done.

She had turned the sunbed to full power and had also used sun block to write "I woz here" with an arrow pointing to my knob.

Now I'm terrified my wife will see it and figure out what's been going on. What should I do?

ES, Stockton

Kelly says…

YOU'RE not very bright, are you?

Dear Kelly,

IN the past three months my wife has turned into a nympho.

Before this she wasn't really interested in sex, but suddenly she can't get enough.

She now likes doing it in loads of positions and she recently even got me to dress up in stockings and sussies while I gave her one.

When she mentioned that she'd like to try anal sex, I was well up for it as it's something I've always fancied trying.

I shagged her doggy-style first and then started teasing her arse with my cock, but then she told me to stop.

She explained that she wanted me to use a dildo on her, but I was a bit put out and sarcastically said I didn't happen to have a plastic tool to hand.

We'd never used such a thing before, so I was amazed when she reached out to the bedside drawer and pulled out a 10-inch dong.

Then she pulled out some lubricant, starting oiling it up and told me she wanted me to stick it up her.

I'm not complaining, but what do you think has made her suddenly become such a sex goddess?

JC, Ipswich

Kelly says…

BEST not to ask – just get stuck in and enjoy it!

'First I just sent boob pics – then I got really naughty...'

...WITH VERONIKA ZEMANOVA, 34 30G-24-36 FROM CHELSEA

'**YOU may find this hard to believe but I am currently single.**

And I've been very sexually frustrated during lockdown.

But I found this app that lets you get naughty with strangers online.

You can send naked pictures and filthy texts, and even put on a live show for each other via a webcam!

It's totally anonymous and you don't have to show your face – just your body.

You fill in some very basic details, such as what gender you like, and after that, you'll be connected to a random stranger online.

If you like your chat partner, you can get naked and have camera sex with her or him.

Otherwise you have the option to click and move on to the next horny stranger.

I started just sending pics of my boobs, but then I'd had a few glasses of wine and I got all carried away!

I connected with a guy who had a nice bod – never saw his face.

I did a little striptease to start with.

It felt filthy rubbing my clit and climaxing while watching this faceless dude wanking and shooting his load.

Previously, I had never tried anything like that , but we are living in strange times so why the hell not?!'

STUNNING Maddie is not just a beauty – she's got a razor-sharp brain, too.

The 26-year-old scorcher is a hard-nosed businesswoman by day who runs her own Manchester-based company.

But in between meetings the gorgeous brunette gives a whole new meaning to the term "bottom line".

In her second career as a topless model, Maddie likes showing off her 32D boardroom assets in a pair of stockings and lacy suspenders.

A source said: "I think it's safe to say there isn't a red-blooded male alive who wouldn't want to be bossed around by this gorgeous girl!

"One thing's for sure, Maddie won't have any problems being the centre of attention at long business meetings.

"And there's probably no shortage of guys wanting to get their hands on her spreadsheets."

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

SHOW ME THE HONEY!

WELCOME to interactive *Midweek Sport* – where YOU get to choose the stunnas on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to *request@sundaysport.co.uk* telling us why you want to see your favourite girl, then sit back and let us do the rest.

ANDREA FELLDIN

CARPET fitter Ian Summers emailed us asking for a saucy snap of glamour babe Andrea Feldin.

The 45-year-old, from Manchester, said that 29-year-old Andrea is his favourite *Sport* girl.

And he said he'd love to get naughty with the blonde beauty.

Andrea, from Romford, east London, looks great in her undies but it's her 32C norks which Ian's interested in.

He said: "She's mesmerising. I moan about laying carpets for folk, but Andrea is one thing I'd love to lay. Oh yes!"

ASHLEY EMMA

LONDON train driver Len Sharp requested a topless picture of gorgeous Ashley Emma.

Len, 37, from Dulwich, loves the 'girl-next-door' look of 26-year-old Ashley who hails from Chelmsford, Essex.

He told us: "I've always fancied Ashley and often look at her pictures while navigating the tube tunnels – she's a real light in my day.

"I have loads of buttons to press and concentrate on all day but I dream of getting my hands on her 32B hooters."

LAUREN POPE

CHIP shop owner Brian Howard is bowled over by pretty Lauren Pope.

The 53-year-old, from Fleetwood, usually likes the girls up North but reckons 37-year-old Torquay babe Lauren is the exception.

Lauren looks sensational with her pert 32Es on full display in this shot.

Brian said: "Girls up here are proper fit and I'd love a local lass.

"But Lauren is a diamond and those tits are magic."

FAMILIAR SIGHT: Rain covers on at Old Trafford

LANCS: WE CAN PASS TEST FOR MATCHES

CRICKET

LANCASHIRE say they are ready and willing to host Test matches behind closed doors this summer.

There are hopes that the planning series against the West Indies will go ahead — with Pakistan also lined up for games in the coming months.

Old Trafford is the ideal venue for holding a quarantined series. There is a large hotel inside the stadium gates with few houses close by.

The plan is to have players living together for a number of weeks so they can be kept "bio secure" and have regular Covid-19 checks.

Lancashire chairman Les Platts said: "We have expressed our interest to the ECB, we are waiting on the ECB for a decision on that. We are continuing to plan on the basis it will happen.

"We have done extensive planning now for behind-closed-doors cricket and we are hopeful we will get the green light soon and we will have cricket going again in July.

"I haven't been given a date, I would hope to have heard by this time next week, but we are waiting on the ECB."

LION KING: Joe Root

Fans

Although any Tests are almost certain to be played behind closed doors, Lancashire have been taking steps to socially distancing supporters.

Old Trafford has 26,000 seats but Lancashire believe they can accommodate around 1,000 fans and maintain strict distancing rules.

That would be for county games once the government gives the go-ahead which looks a couple of months away at the very least.

Lancs chief executive Daniel Gidney said: "I'm hopeful that we can get some domestic cricket away in the back end of August and September, at least behind closed doors, but possibly even with some small crowds.

"Sometimes you can get into this negative box. And when I'm being positive, I'm not being reckless or saying things that can't happen from a safety perspective.

"There are ways that we can make a sanitised, smaller crowd, domestic cricket environment possible at the back end of the year based on the current trajectories that we're looking at from the science and the infection rate keeping down."

PLAYERS RETURN INTO GROUP

HERR WE GO AGAIN

Premier League footballers follow Germany's lead and get back into training ahead of the big kick-off

By JOHN ANTHONY

PREMIER League clubs have stepped up their training as the big kick-off comes closer.

From yesterday, teams are allowed to hold sessions in small groups as long as there's no contact.

It's the next step in getting Premier League going.

In Germany, the first weekend of the Bundesliga behind closed doors appears to have gone off without any hitches.

The Premier League is working to a date of June 12 but that could be pushed back by a week or two.

Newcastle boss Steve Bruce says all possible precautions are being taken to get football going again.

He said: "They have done everything they possibly can to make sure everyone is safe.

"The attention to detail is fantastic. I think everything has been put in place.

"They have been meticulous in their planning. The vast majority of our squad are satisfie.

"Let's get up and going and see where it takes us. I think all of us want to get it started and finished."

Bruce knows it will take a lot more than just small training sessions to get the players fit.

But he's optimistic that the Premier League can return next month.

The Toon chief added: "Players have been off eight to nine weeks. Normally in pre-season it takes six weeks to get them right and six friendlies so it's going to be a bit of a shot in the dark but I hope we get the second phase with contact training done."

All 20 clubs have agreed the protocols and the next step into full training in a fortnight.

Videoing

There will be spot checks to make sure every team follows the rules and there will be regular Covid-19 testing.

Premier League director of football Richard Garlick said: "We can request information from videoing of the sessions and GPS data, too.

"We are also looking at bringing in our own independent audit inspection team that we'll scale up over the next few days which will give us the ability to have inspections at training grounds to start with on a no-notice basis.

"Gradually, we aim to ramp that up so we can have an inspector at every training ground.

"That will enable us to give everyone confidence that the protocols are being complied with, and give the public confidence that we are trying to create a very safe working environment."

But it's not 100% positive from the players.

Some are refusing to go back into training at the moment.

One of the higher profile figures to say no is Watford captain Troy Deeney.

He believes it's too soon to be getting football going

SESSIONS AS JUNE RESTART LOOMS

GLAD TO BE BACK: Bruce is happy to be working with his Newcastle players again

again. Deeney said: "It only takes one person to get infected.

"I don't want to bring that home — my son is five months old and he's had breathing difficulties.

"I don't want to come home and put him in more danger. You've got to drive back in the same dirty kit — if I'm putting my clothing in with my son's clothing or my missus' clothing it's more likely to be in and around the house.

Questions

"I've lost my Dad, my Gran, my Grandad. I've lost more or less everyone that I care about.

"Within the meeting I asked very simple questions.

"For Black, Asian and mixed ethnicities they are four times more likely to get the illness and twice as likely to have long lasting illness: Is there any additional screening?

"Heart stuff to see if anyone has a problem?

"I feel that should be addressed. I can't get a haircut until mid-July but I can go and get in a box with 19 people and jump for a header? I don't know how that works.

"No one could answer the questions — not because they didn't want to, because they didn't have the information.

"I just said 'If you don't know the information, why would I put myself at risk?'."

Deeney confirms he'll be staying at home this week until he can get some answers to his concerns.

He added: "That, to me, is more important than a few quid in my back pocket."

United beg fans to stay away

MANCHESTER United are urging fans to stay away from behind closed doors games when the Premier League restarts next month.

The Old Trafford giants have started issuing refunds to ticket holders for the matches they won't be allowed to attend.

There's a big fear that fans will gather outside stadiums when games are taking place inside.

That would lead the authorities to stop football again.

United are due to stage four games at Old Trafford and are sending out a clear message for supporters to watch on the telly rather than turn up.

A club statement said: "We share your disappointment that you will not be able to watch United in person from within the stadium, but we would encourage you to give your continued loyal support from the comfort and safety of your home.

"To help with that, the Premier League and their media partners will work to deliver the very best broadcast coverage of our games.

"We also ask for your co-operation not to travel to any stadiums at which we are playing on matchdays.

"By supporting from home and following Government guidance, you will be playing your part to keep your friends, your family and all United fans safe.

"This united effort to stay at home will give us the best chance of protecting the health of everyone in our community."

New rules put spanner in works for British GP

FORMULA ONE

GOVERNMENT quarantine rules may KO the British Grand Prix.

Visitors from abroad to the UK will shortly have to self-isolate for 14 days.

That would spell major problems for Formula One as teams have to come in from all over the world for races.

There are plans to hold the British Grand Prix in July — and may even have two runnings of it to make up for some of the races lost to Coronavirus.

But an F1 spokesman said: "A 14-day quarantine would make it impossible to have a British Grand Prix this year.

"Additionally, it has a major impact on literally tens of thousands of jobs linked to F1 and supply chains."

Formula One is hoping the government will make an exception for them if strict rules are followed.

Teams will stay in separate hotels and be bussed to the track.

There will be regular virus tests and social distancing.

The sport hopes that could tip the balance in their favour.

The spokesman added: "We would be travelling back to the UK on F1-only occupied aircraft and all staff would be tested, making a quarantine totally unnecessary.

"If all elite sport is to return to TV, then exemptions must be provided."

Wolves sign legend Inglis

RUGBY LEAGUE

AUSSIE legend Greg Inglis is coming out of retirement to play for Warrington next season.

The 33-year-old is one of the best players the sport has ever seen.

He retired from South Sydney last season with knee and shoulder issues.

Inglis said: "I can't wait to get over there and play for a club that has so much rich heritage.

"I've seen the success the team have had in the Challenge Cup and I want to help the team to deliver more glory.

"I've played over in England many times in representative footy and love how passionate and vocal the supporters are.

TOON SWOOP FOR COUTINHO

BOOKIES have seen a massive flurry of bets on Philippe Coutinho signing for Newcastle.

The Toon are about to be taken over by a consortium led by Saudi Arabia's sovereign wealth fund. They will have hundreds of millions to splash on new players when the deal goes through.

And it looks like Coutinho is the first name on the shopping list. He's been cut by the bookies from a whopping 66-1 to just 6-4 after the money came.

The chances of him rejoining Liverpool seem to be receding fast with the Reds out to 8-1 to be his next destination.

Barcelona are not keen to take him back and his current loan deal at Bayern Munich runs out at the end of the season.

REDS EYE £70M KAI

Klopp keen on Leverkusen midfielder

KOP IDOL: Kai Havertz

LIVERPOOL are closing in on Bayer Leverkusen ace Kai Havertz.

The attacking midfielder is one of the hottest prospects in the Bundesliga.

The 20-year-old advertised his quality with two goals as Bayer battered Werder Bremen 4-1 in their first match back after lockdown.

By JOHN ANTHONY

He took his season's tally to 12 and sparked new rumours of an Anfield move.

Havertz was already on Liverpool's radar with boss Jurgen Klopp a confirmed admirer.

The Reds need more goals from midfield as Naby Keita continues to struggle for form. Adam Lallana is leaving at the end of the season and Havertz would be the ideal replacement.

He won't come cheap though with Leverkusen reportedly looking for 100 million euros this summer.

That's a bit much for the Reds but they could be persuaded to pay £70m for Havertz especially as Man City are also thought to be sniffing around.

At just 20 he's the type of signing Liverpool have been making as he would have resale value after a successful spell in the Premier League.

It would appear to make more sense than bringing back Philippe Coutinho — who plays in the same position — from Barcelona.
